

PDFTextStream v2.x Price Schedule

Sales Contacts: +1 413.519.6365
sales@snowtide.com

- All prices are in USD.
- All prices are for internal use licenses – redistribution is prohibited.
- Redistributable OEM and site license pricing is available separately.

Licensing Policy

PDFTextStream is licensed on a per-server basis. You must purchase one deployment license for each server on which you plan on using PDFTextStream. Development (non-production) licenses are free with the purchase of any license.

Support Duration	Price per License (one license required per server)
1 Year (No discount)	\$1,499
2 Years (5% disc.)	\$1,879
3 Years (10% discount)	\$2,239
4 Years (15% discount)	\$2,579
5 Years (20% discount -- our best value!)	\$2,899

Premium Support

Includes software assurance (free upgrades and bug patches) and guaranteed support response.

Software Escrow Enrollment

\$1,000 per year enrolls a customer as a beneficiary of the PDFTextStream source code escrow.
